

Bus Parking at the Shenandoah Valley Discovery Museum

BUSES MAY DROP OFF AND PICK UP STUDENTS IN FRONT OF MUSEUM

There are two designated areas for large school buses to park when visiting the Shenandoah Valley Discovery Museum. The first is directly across the street from the museum right on Cork Street. There is a blue sign that states, "Tour Bus Parking".

The second location is approximately $\frac{1}{2}$ mile east from the Discovery Museum on Cork Street. This area is known as the City Yard. It is located directly behind the Moose Lodge located at 215 East Cork Street. Drivers **MUST** remain with their buses. Please refer to the map included in confirmation materials.

PLEASE DO NOT PARK LARGE BUSES IN THE PARKING LOT NEXT TO THE MUSEUM OR ON THE STREET. THE CITY OF WINCHESTER ISSUES TICKETS FOR PARKING VIOLATIONS.
